

# The Beatles - Don't Bother Me

Tom: **G**

Intro: : **D Em**

Since she's been gone, I want no one, to talk to me  
It's not the same, but I'm to blame, it's plain to see  
So go away, leave me alone, don't bother me

I can't believe, that she would leave me, on my own  
It's just not right, when every night, I'm all alone  
I've got no time, for you right now, don't bother me

I know I'll never be the same  
If I don't get her back again  
Because I know she'll always be

The only girl for me

But till she's here, please don't come near, just stay away  
I'll let you know, if she's come home, until that day  
Don't come around, leave me alone, don't bother me

Solo:

I've got no time, for you right now, don't bother me

I know I'll never be the same  
If I don't get her back again  
Because I know she'll always be  
The only girl for me

But till she's here, please don't come near, just stay away  
I'll let you know, if she's come home, until that day  
Don't come around, leave me alone, don't bother me
