Verse 1:
                                                                   Everybody's trying to be my baby
                                                                   B7
                                                                   Everybody's trying to be my baby now
           Е
Well they took some honey
                                                                   Solo 2:
From a tree
Dressed it up and they called it me
Chorus:
Everybody's trying to be my baby
Everybody's trying to be my baby
B7
Everybody's trying to be my baby now
Verse 2:
                                                                   Verse 4:
       F
Well, half past nine
                                                                   Went out last night
Half past four
                                                                   Didn't stay late
Fifty women knocking on my door
                                                                   'Fore I got home I had nineteen dates
Chorus:
                                                                   Chorus:
Everybody's trying to be my baby
                                                                   Everybody's trying to be my baby
Everybody's trying to be my baby
                                                                   Everybody's trying to be my baby
B7
                                                                   B7
Everybody's trying to be my baby now
                                                                   Everybody's trying to be my baby now
                                                                   Verse 5:
Solo 1:
                                                                   Well they took some honey
                                                                   From a tree
                                                                   Dressed it up and they called it me
                                                                   Chorus:
Verse 3:
                                                                   Everybody's trying to be my baby
      F
Went out last night
                                                                   Everybody's trying to be my baby
                                                                   B7
                                                                   Everybody's trying to be my baby now
Didn't stay late
                                                                   Coda:
'Fore I got home I had nineteen dates
