The Beatles - Golden Slumbers

Tom: C

Intro:

```
Am                              Dm
Once, there was a way to get back homeward
G7                              C
Once, there was a way to get back home
   Em           Am            Dm
```

```
Sleep pretty darling, do not cry,
G7                      C
And I will sing a lullaby
```

```
                    F           C
Golden slumbers fill your eyes
                    F           C
Smiles awake you when you rise
     Em           Am            Dm
Sleep pretty darling, do not cry,
G7                      C
And I will sing a lullaby
```
