

The Beatles - Here There And Everywhere

```
Someone is speaking, but she doesn't know he's there
                tom:
                                                               [Middle 8]
               Em
                                                                        Bb
                                                               I want her everywhere
                                                                  Cm
Special CHORDS
                                                               And if she's beside me I know I need never care
Am7 x-0-2-2-1-3
                                                                         D7
                                                               But to love her is to need her
       2-x-2-1 = actually f#m7(b5)

                                                                     Cm
Intro: G Bm
                                                               And if she's beside me I know I need never care
 To lead a better life
                                                               Cm D7
                                                               But to love her is to need her
 I need my love to be here
                                                               [Verse]
[Verse]
                                                                        Am Bm
G Am Bm C G Am Here, making each day of the year Bm C Gbm7 B7
                                                               Everywhere knowing that love is to share Bm C Gbm7 B7
                                                               Each one believing that love never dies
Changing my life with a wave of her hand
                                                               Gbm7 B7 Em Am
Watching her eyes, and hoping I'm always there
                                                                                                              Am7 D7
Gbm7 B7 Em
                       Am
Nobody can deny that there's something there
                                                               G Am Bm C
I will be there, and everywhere
G Am Bm C G
[Verse]
G Âm Bm C G G There, running my hands through her hair
                                                               Here, there, and everywhere
               Gbm7 B7
Both of us thinking how good it can be
Gbm7 B7
