The Beatles - If I Fell

```
                            tom:
                    D

                  Ebm
If I fell in love with you
            D
Would you promise to be true
     Db        Bbm
And help me understand
             Ebm
'Cause I've been in love before
        D
And I found that love was more
     Em           A7
Than just holding hands

        D    Em  Gbm      Em
If I give my heart to you
   A7                  D  Em  Gbm
I must be sure from the very  start
     Em         A7                D  Gm  A
That you would love me more than her

          D    Em Gbm
If I trust in you
        Em          A7
Oh please, don't run and hide
```

```
          D    Em  Gbm
If I love you too
        Em           A7              D7
Oh please, don't hurt my pride like her

[Refrão]

                                 G
Cause I couldn't stand the pain
         Gm                    D          A7
And I would be sad if our new love was in vain
         D    Em   Gbm
So I hope you'll see
        Em     A7
That I would love to love you
    D   Em   Gbm       Em
And that she will cry
        A7               D
When she learns we are two

          Gm              D  Gm  D
If I fell in love with you
