

# The Beatles - I'll Keep You Satisfied

Tom: A

(intro) E D C B7

You don't need anybody to hold you,  
 Here I stand with my arms open wide  
 Give me love and remember what I told you  
 I'll keep you satisfied.  
 You don't need anybody to kiss you.  
 Every day I'll be here by your side  
 Don't go away, I'm afraid that I might miss you  
 I'll keep you satisfied.

(refrão)

You can always get a simple thing like love anytime,  
 But it's different with a boy like me and a love like mine.

So believe everything that I told you  
 And agree that with me by your side  
 You don't need anybody to hold you  
 I'll keep you satisfied.

(refrão)

Give me love and remember what I told you  
 I'll keep you satis...fied.
