

The Beatles - I'll Keep You Satisfied

Tom: A

(intro) E D C B7

You don't need anybody to hold you,
 Here I stand with my arms open wide
 Give me love and remember what I told you
 I'll keep you satisfied.
 You don't need anybody to kiss you.
 Every day I'll be here by your side
 Don't go away, I'm afraid that I might miss you
 I'll keep you satisfied.

(refrão)

You can always get a simple thing like love anytime,
 But it's different with a boy like me and a love like mine.

So believe everything that I told you
 And agree that with me by your side
 You don't need anybody to hold you
 I'll keep you satisfied.

(refrão)

Give me love and remember what I told you
 I'll keep you satis...fied.
