G         B7
When I wake up early in the morning, lift my head, I'm still
yawning
Em                        Am   G      C   G     C
When I'm in the middle of a dream, stay in bed, float upstream
(float upstream)
G                  Am                   Bm
Please don't wake me, no don't shake me, leave me where I am
Am      C
I'm only sleeping

Em                        Am   G      C   G
B7
Everybody seem to think I'm lazy, I don't mind I think they're
crazy
Em               Am   G      C   G    C
Running everywhere at such a speed, till they find, there's no
need (there's no need)
G                  Am                   Bm
Please don't spoil my day, I'm miles away, and after all
Am      C                   C   Em
I'm only sleeping
```

```
Dm                      E7                   Am    Am  Dm
Keeping an eye on the world going by my window,     taking my
time
E7                     Am       G      C   G      B7
Lying there staring at the ceiling, waiting for a sleeping
feeling
G                    Am                   Bm
Please don't spoil my day, I'm miles away, and after all
