

The Beatles - In My Life

```
life I've loved them all
               tom:
\ensuremath{\text{E}} (forma dos acordes no tom de \ensuremath{\text{D}} ) Capostraste na 2ª casa
                                                            (GD)
Intro: G D G D
                                                                            D Em F-(9/13)
                                                            But of all these friends and lovers
[Primeira Parte]
                                                                  C Cm G
                                                            There is no one compares with you $D$ \mbox{Em} \mbox{F-(9/13)}
                                                            And these memories lose their meaning
                                                                 C Cm G
                                                            When I think of love as something new
                                                            Though I know I'll never lose affection

F

G
                                                            For people and things that went before
                                                            Em A7
I know I'll often stop and think about them
          G D Em F-(9/13)
There are places I'll remember
                                                            C Cm G
In my life I'll love you more
      C Cm G
All my li__ife though some have changed
           D Em F-(9/13)
Some forever not for better
                                                            ( G D )
All these places had their moments
                                                            In my life I'll love you more
With lovers and friends I still can recall
   Em A7
Some are dead and some are living
```
