Tom: A My oh my That country boy can play Intro: A E D A Go go, go Johnny go go go! Deep down in Louisianna Close to New Orleans Go Johnny go go go! Way back up in the woods Go Johnny go go go! Among the evergreens There stand a country cabin Go Johnny go go go! Made of clay and wood Aah Johnny B. Goode! Where lives a young country boy Named Johnny B. Goode Ε He never ever learned Well his mama told him To read or write a book so well But he could play his guitar Someday you will be a man Just like a-ringing a bell And you will be the leader Go go, go Johnny go go go! Of a big old band Go Johnny go go go! Many people coming Go Johnny go go go! From miles around To hear you play your music Go Johnny go go go! Aah Johnny B. Goode! Till the sun goes down Maybe some day He used to carry his guitar In a gunny sack Your name will be in light Sit beneath the trees By the railroad track Oh sitting and a-playing Go go, go Johnny go go go! In the shade Go Johnny go go go! Drumming to the rhythm Go Johnny go go go! That the drivers made Go Johnny go go go! People passing by Used to stop and say Aah Johnny B. Goode!
