The Beatles - Not Guilty

```
Am
Not guilty
 B7
For getting in your way
          B7
While you're trying to steal the day
Not guilty
And I'm not here for the rest
B7 Em Em
I'm not trying to steal your vest.
I am not trying to be smart
I only want what I can get
         Em Em
I'm really sorry for your ageing head
But like you heard me said
Not guilty.
No use handing me a writ
    B7
While I'm trying to do my bit.
I don't expect to take your heart
I only want what I can get
```
