                                                                                                 D
Capostraste na 1^{\underline{a}} casa
                                                            Everything was right everything was right
Intro: (com capo)
                                                            Α
                                                                   G D
                                                            I said
Riffs: (com capo)
                                                                                        G
                                                                              Α
                                                                                              D
                                                            "Even though you know what you know,
A G D
... is like to be dead
                                                            I know that I'm ready to leave
                                                                           Α
                                                                                    G
...it is to de sad
                                                            Because you're making me feel like
                                                            D A A G D A
I've never been born"
...I've never been born
                                                                                     D
                                                                      G
                                                                                                 Α
                                                            She said "You don't understand what I said"
Intro: A
                                                                    G
A G D
                                                            I said "No, no, no, you're wrong"
                                                                         Em A7
She said
                                                            When I was a boy
D A7
                          G
                                D
"I know what it's like to be dead
                                                                                                 D
             Α
                     G D
                                                            Everything was right everything was right
I know what it is to be sad"
                                                            A
        A G
                                                                   G D
And she's making me feel like
                                                            I said
    D
               A AGDA
                                                                                        G
                                                                              Α
                                                                                              D
                                                            "Even though you know what you know,
A G D
I've never been born
Α
                                                            I know that I'm ready to leave
      G D
I said
                                                                           Α
                                                                                     G
                                                            Because you're making me feel like
                   Α
                              G
                                      D
"Who put all those things in your head?
                                                                 D A AGDA
                                                            I've never been born"
                   Α
                             G
Things that make me feel that I'm mad
                                                            A G D
                                                            She said (she said)
         Α
                 G
And you're making me feel like
D A A G D A
I've never been born"
                                                            I know what it's like to be dead (I know what it's like to be
                                                            dead)
                                                            А
                         D
                                                            I know what it is to be sad (I know what it is to be sad)
          G
                                     Α
She said "You don't understand what I said"
G A
                                                            I know what it's like to be dead...
I said "No, no, no, you're wrong"
```
