Intro: E

[Primeira Parte]

A friend says that your love won't mean a lot
 And you know that your love is all you've got
 At times things are so fine
 And at times they're not
 But when she says she loves you
 That means a lot

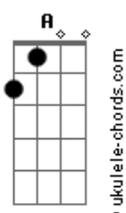

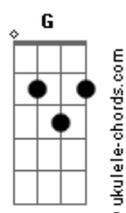

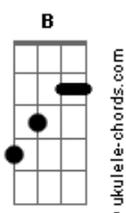

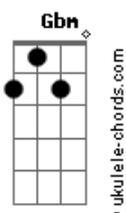

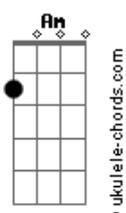

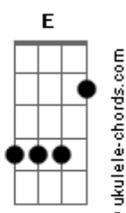

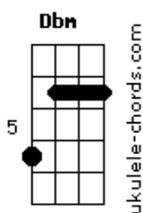

[Segunda Parte]

A friend says that a love is never true
 And you know that this can't apply to you
 A touch can mean so much
 When it's all you've got
 And when she says she loves you
 That means a lot

[Ponte]

Love can be deep inside

Acordes

Love can be suicide
 Can't you see you can't hide
 What you feel, when it's real?
