

The Beatles - The Fool On The Hill

tom:
D

Day after day alone on a hill
D Em7
The man with the fool grin is keeping
Em7
Perfectly still
Em A7
But nobody wants to know him
D Bm7
They can see that he's just a fool
Em A7
And he never gives an answer

Dm
But the fool on the hill
Dm
Sees the sun going down
C7
And the eyes in his head
Dm Dm7 D
See the world spinning round

D Em7
Well on the way head in a cloud
D
The man of thousand voices talking
Em7
Perfectly loud
Em A7
But nobody ever hears him
D Bm7
Or the sound he appears to make
Em A7
And he never seems to notice

Dm
But the fool on the hill
Dm

Sees the sun going down
C7
And the eyes in his head
Dm Dm7 D. Em7 D Em7
See the world spinning round

Em A7
And nobody seems to like him
D Bm7
They can tell what he wants to do
Em A7
And he never shows his feelings

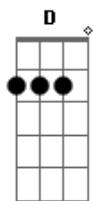

Dm
But the fool on the hill
Dm
Sees the sun going down
C7
And the eyes in his head
Dm Dm7 D
See the world spinning round
D. Em7. D. Em7
Oohh, oohh, oohh, Round, round, round

Em A7
He never listens to them
D Bm7
He knows that they're fools
Em A7
They don't like him

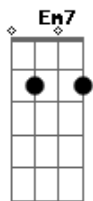

Dm
But the fool on the hill
Dm
Sees the sun going down
C7
And the eyes in his head
Dm Dm7 D
See the world spinning round

Oohh, oohh
