

The Beatles - Think for yourself

Tom: G

[Intro:] G Ab Am

I've got a word or two,
 To say about the things that you do
 You're telling all those lies,
 About the good things that we can have if we close our eyes
 Do what you want to do,

And go where you're going to
 Think for yourself,
 'Cos I won't be there with you
 I left you far behind,
 The ruins of the life that you have in mind
 And though you still can't see,
 I know your mind's made up you're gonna cause more misery
 Although your mind's opaque,
 Try thinking more if just for your own sake
 The future still looks good,
 And you've got time to rectify all the things that you should
