

The Beatles - While My Guitar Gently Weeps

```
I look at the world
                         tom:
              Gm (forma dos acordes no tom de Dm )
                                                               Dm
                                                                        Bb
                                                          And I notice it's turning
Capostraste na 5º casa
Intro: Dm Dm Dm Bb Dm Cadd9 Dm
                                                                       Cadd9
                                                            While my guitar gently weeps
                                                              Dm
                                                          With every mistake
                                                               Dm
                                                          We must surely be learning
                                                                        Cadd9
                                                            Still my guitar gently weeps
[Primeira Parte]
                                                          [Refrão]
                                                           I don't know how
                                                            You were diverted
  Dm
I look at you all
     Dm
See the love there that's sleeping
                                                            You were perverted too
    Cadd9
                                                                        Gbm
  While my guitar gently weeps
                                                           I don't know how
I look at the floor
                                                            You were inverted
Dm Bb
And I see it needs sweeping
                                                            No one alerted you
           Cadd9
  Still my guitar gently weeps
                                                          [Terceira Parte]
[Refrão]
                                                          I look from the wings
                                                                Dm Bb
 I don't know why
                                                          At the play you are staging
        Gbm
                                                               Cadd9
  Nobody told you
                                                            While my guitar gently weeps
                                                                        Dm
  How to unfold your love
                                                          As I?m sitting here
                                                             Dm
 I don't know how
                                                          Doing nothing but aging
             Ghm
                                                                        Cadd9
                                                            Still my guitar gently weeps
  Someone controlled you
  They bought and sold you
                                                          [Final] Dm Dm Dm Bb
                                                                 Dm Cadd9 Dm Cadd9 Dm Cadd9 Dm
