

The Beautiful Girls - I Need To Give This Broken Heart Away

Tom: G

G D
All my life I have learned
G D
To say goodbye

G
But it still hurts
D Em Riff 1
Are we defined by what we hold?

G D
But armor breaks

G
And fire burns
D G
On the way to lessons learned
D Em Riff 1
Thoughts escape just like it burned...

G D
Off into the moonlight
Am Em Riff 1 G
I need to give this broken heart away
D Em Riff 1
So I close my eyes..

G D

And wish you the goodbye,
Am Em Riff 1
That I had hoped I'd never have to say
G Em Riff 1
I'll miss your smile

G D Em Riff 1
Oh, this may take more then a little while

And you know I'm no good
At chasing things that i should
Another rain though I broke.

I never told you how much
You gave to him, but
I know you know
And thats enough

Off into the moonlight
I need to give this broken heart away
So I close my eyes

And wish you the goodbye,
That I had hoped I'd never have to say
I'll miss your smile

Oh, this may take more then a little while.
