Gb Db	Gb Db
Without you near to me	I promise you I'd try
Ebm	I'd...
See, I feel so cold without you	
Gb Db	B
Without you here to see	Tell you we could make it matter

This world keeps spinning 'round, it's	Tell you we could make it good

It's orbit here in space	I've got a heart that's made to shatter

And each time I look around, I	Maybe that's the way it should
Gb Db	B
I swear I see your face	And I know this world gets crazy
Ebm	Db
I see your face...	Well I lost all self-control
Gb Db	B
I swear I see your face, there	Where are you to come to save me?
Ebm	Db
And I know at times I've tested	When I need you near to hold?

Your patience, hurt your soul	(Dm Gb Db)

But never have I suggested	Oh, my mind is an echo chamber...
Gb Db	Oh, my mind is an echo...
We ever let this go
