

The Beautiful Girls - Periscopes

Tom: **F**

Verse 1:

Well i woke up last night couldn't tell if i was dreaming
 I thought i saw the face of an angel and i heard her speaking to me
 She said my boy dont fill up your head with trivial things
 Cause life's too beautiful for you to leave

Chorus:

Just like periscopes up in the sky
 Well i have never seen a girl as beautiful as you in my whole life
 and Things dont always go the way you planned them
 /
 but if you're rolling with the flow well then it makes it easier, makes it

easier to bear.

(**Dm G Dm G**) (x2)

Verse 2:

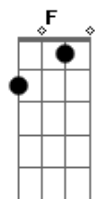

I give you kisses on your neck just like i always promised
 You float into my mind like pictures of an earthly goddess
 She said my boy dont fill up ya heart with nothing but love
 that true is truth to you is truth enough
