[Primeira Parte]
B                         Dbm7
 I've tried counting my blessings
Abm7                E
 But I've got too many
B             Dbm7                    Abm7 E
 I don't even know where I would start
B                       Dbm7
 Been changed by Your kindness
Abm7                E
 From rebel to righteous
B                 Dbm7                Abm7 E
 Can't thank You enough for who You are
```

```
[Refrão]
                     B
'Cause You're good times a hundred
Dbm7
Good times a thousand
Abm7
Good times a million
E                       Abm7
Can't even count it all
        E
You're nothing but good, God
B
Good in the valley
Dbm7
Good on the mountain
Abm7
Good every moment
E                 B
No doubt about it, no
          E
You're nothing but good, God
```
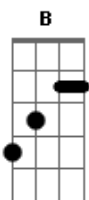

```

```
[Segunda Parte]
B                Dbm7
 How could I forget it
Abm7               E
 You met me in the desert
B
 Your living water
Dbm7                      Abm7 E
```
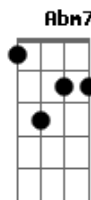

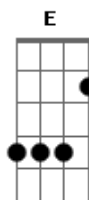

```
Rushed right through my soul
B                 Dbm7
 Front line of the battle
Abm7                E
 Ahead of me in the trial
B             Dbm7                Abm7 E
 You making a way is all I've known
```

[Ponte]
          B
What the enemy meant to keep me bound
           B
You took it turned it upside down
        B
So I know You'll do the same right now
 Abm7 / / / |E / / / |
            B
When the enemy tried to take me out
          B
You came and turned it all around
        B
So I know You'll do the same right now
 Abm7 / / / |E / / / |
