[Primeira Parte]

This moment is holy, this moment is holy  
I'm not in a hurry, no not at all  
This moment is holy, this moment is holy  
I'm not too busy to wait on You, Lord

[Refrão]

I'll be the first to fall down at Your feet  
Ready to pour out every drop completely  
I don't wanna move on from this moment  
If You're not done  
As long as You're here, I'll be  
The last to leave

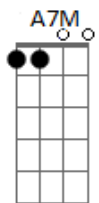

Turnaround

A7M / / / | Dbm7 / B(add4) / |

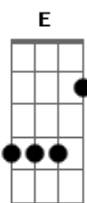

[Segunda Parte]

Jesus You're lovely, Jesus, You're lovely  
I'm still amazed at just how beautiful  
Jesus, You're worthy, Jesus, You're worthy

[Ponte]

I don't need a song I know  
To tell You that You're beautiful  
Oh  
You're beautiful  
Melodies will fade away  
And I'll be here still on my face singing  
Oh  
You're beautiful
