

The Belonging Co - Roll On

tom:
 [Primeira Parte]
 There is a throne found up above
 And out of it flows a heavenly flood
 Shining like crystal, brilliant and bright
 The water of life

[Segunda Parte]
 There is a man, who hung on a cross
 Beaten and bruised, broken for us
 Healing and mercy flow from His side
 The water of life

[Refrão]
 Mighty river of the spirit
 Roll on, roll on
 Mighty river of the spirit
 Roll on, roll on

[Terceira Parte]
 There is a world crying for help
 And people have tried everything else
 But there's only one thing that satisfies
 The water of life

 Your Kingdom comes, the people sing
 Everywhere it flows there's life
 Everywhere it flows there's life
