

The Beta Band - Needles In My Eyes

```
Tom: E

B

Last night it was so good

A

E

I felt like crying, I felt crying

B

Last night though you looked so cold

A

E

I felt like smiling, smiling while I'm dying

B

Last night you looked so good

A

E

I felt like crying, felt like crying

B

Last night though you looked so old

A

E

I felt like smiling, smiling while I'm dying

B

You left me cold, you left me cold

B

You left me cold, you left me cold

A

E

Needles in my eyes won't cripple me tonight, alright

A

E

Needles in my eyes won't cripple me tonight, alright

A

E

Needles in my eyes won't cripple me tonight, alright

A

E

Needles in my eyes won't cripple me tonight, alright

A

E

Needles in my eyes won't cripple me tonight, alright

A

E

Needles in my eyes won't cripple me tonight, alright

A

E

Needles in my eyes won't cripple me tonight, alright

A

E

Needles in my eyes won't cripple me tonight, alright

A

B

Needles in my eyes won't cripple me tonight, alright

A

B

Needles in my eyes won't cripple me tonight, alright

A

B

Needles in my eyes won't cripple me tonight, alright

A

B

Needles in my eyes won't cripple me tonight, alright

B
```

Twisting up my mind please pull me through the light, alright

B
Last night I dropped my heart
A
E
And I never wanna see it again
B
Getting tighter with you all the time
A
E
I think I'm gonna my buckle my spine

B
I crept in and I stole your mind
A
E
I think, I'm having trouble with mine
B
Crept in and I stole your mind
A
E
I think, I'm having trouble with mine
B
You left me cold, you left me cold
B
You left me cold, you left me cold
A
R
Needles in my eyes won't cripple me tonight, alright
A
E
Twisting up my mind please pull me through the light, alright
A
E
Twisting up my mind please pull me through the light, alright
A
E
Twisting up my mind please pull me through the light, alright
A
E
Twisting up my mind please pull me through the light, alright
A
E
Twisting up my mind please pull me through the light, alright
A
E
Twisting up my mind please pull me through the light, alright
