

The Black Heart Procession - Fade Away

Tom: C
 Intro: C Em
 C Em
 Am G Em

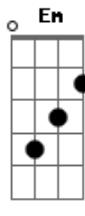

C Em
 Through this land of tragedy
 C Em
 I try to find my way
 C Em
 And in this town of misery
 C Em
 I search for you
 Am G Em
 Now we walk away to the last of the days
 C Em
 And in this world
 C Em

There were only memories
 C Em
 Of how we could get through
 C Em
 There was just no way to see
 Am G Em
 Now we lost our way in the land of the day
 C Em
 And in this life
 C Em
 How will they remember me
 C Em
 Will they see the truth
 C Em
 Will they just lose everything
 Am G Em
 Now it fades away to the land of the day
