

# The Black Keys - Desprate Man

Tom: **G**

one the parts use a metal slide.  
This isnt the whole song, i'm just adding more than i've seen on other versions.

key:

s\\_\_slide

b\_\_bend

\_\_metal slide

p\_\_pull off

t\_\_play w/ thumb

**G** **G** use slide **G** might be a G7, try it!  
t t ~~~~~

then while he sings he just plays that 1st lick (hammered on):

repeat till he stops singing then do the second part of the intro:

then:

~you could play 11 on the **B** string instead of the 6, but Dan doesn't.

I just came back in to edit this after watching the DVD.  
-the begining he plays the bass sounding **G** with his thumb and its more like:  
t

PS. someone please post a tab for "if you see me coming"
