

# The Black Keys - Down To Nothing

tom:  
Intro: Dbm E Gbm A  
Dbm A

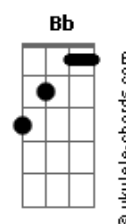

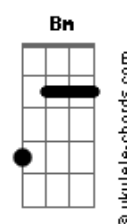

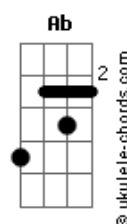

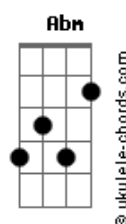

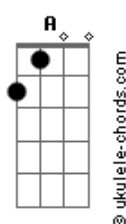

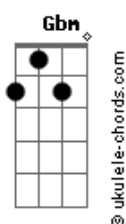

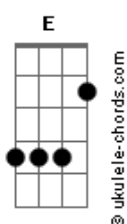

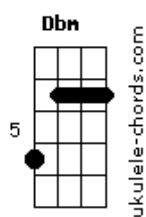

[Primeira Parte]

Dbm A  
When you began your drifting in the wind  
Disappearing up around the bend  
Gb  
Then you were gone, faded to the dawn  
Abm  
Were you gonna stay?  
Ab Dbm  
Or were you gonna come back 'round my way?  
Dbm A  
To break my mind this time would be a shame  
Gb  
Without you I would slowly go insane  
Gb  
And you recall, that's when I hit the wall  
Abm  
But I don't care how far  
Ab  
Gonna look for where you are

[Refrão]

Dbm Bm Dbm  
Behind the clouds, beyond the stars  
A  
Above the crowds in some lonely bar  
Dbm E Dbm  
I'll meet you there, I swear I will  
Bb A  
Because I care and I got time to kill  
Gb Ab Dbm  
Please stop running, I'm back down to nothin'  
Dbm  
To nothin'  
A  
To nothin'

## Acordes

[Segunda Parte]

Dbm A  
I still feel you when I close my eyes at night  
A  
I'm dealin' with the devil  
Gb  
I just might do somethin' bad, I'm crying when I laugh  
Abm Ab  
I'm trying to believe that one day we will meet
