

The Black Keys - Everywhere I Go

Tom: C

Tabbed by: sean k

Email:

Tuning: standard

this is my first tab, i looked everywhere for a tab but couldnt find one, so this is i came up with. it needs some work, but i think it might be a good starting point.

Intro: didnt bother, but play something slow and bluesy around this scale:

riff 1

repeat riff 1

repeat riff 1

please note that this is a simplified version, Auerbach throws in a lot of fills and that i didnt bother with, but for the most part they go something like this:

fill/solo:

	/	slide up
	\	slide down
	h	hammer-on
	p	pull-off
	~	vibrato
		harmonic
	x	Mute note
