              C
Intro:  F  G  Am  C  Dm
        F  G  Am  C  Dm
```
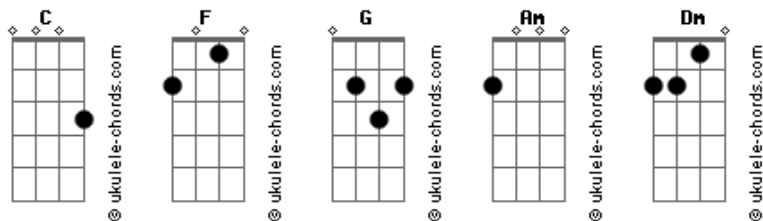

[Primeira Parte]

```
 F     G  Am
Let it go
   C            Dm
You gotta let it all go
 F     G  Am   C
Time don't slow, it's passing you by
 Dm
No matter how we try
 F               G      Am
There's evil people in this world
 C                       Dm
Live long enough and you will be burned
 Am                    G
But all these little messes are
                         Dm
only little lessons we've learned
```

[Refrão]

```
 F      G  Am
No rain
    C      Dm
No flowers
 F    G  Am
More pain
    C      Dm
More power
 F            G    Am
Baby, the damage is done
      C                    Dm
It won't be long 'til we're back in the sun
 F    G  Am
No rain
    C      Dm
No flowers, yeah
```

```
[Solo]  F  G  Am  C  Dm
        F  G  Am  C  Dm
```

[Segunda Parte]

```
 F         G  Am
Stand back up
   C                    Dm
And try your luck once again
 F     G  Am                       C
Don't get stuck thinking 'bout what it?s been
                       Dm
It won't help you my friend
 F               G       Am
No, it don't matter what we do
 C                      Dm
Down at the bottom they act so cruel
   Am
But plant a seed of love
 G                         Dm
And the one who's gonna blossom is you
```
