

The Black Keys - Set You Free

Tom: C

Run a mile..

For the sake of maybe shutting up some commenters, Yes, i took this tab from another site. I dunno about you, but i didn't feel like looking all over the x2 web for the tab. Sorry give credit, but whatever. I think the site i got this from is in one of the comments.

Let em' go..

Outro

That should be enough for you to figure out the rest.
