Verse 2:
And when you hear about the lies other people are saying
Just know they talk cause they don't have a way inside
Oh they try
Look how it hurts their pride
You can never find a soul that's got no pain within
Just like you'll never find a singer without that sin, no sin
Will it ever end?
Chorus:
You don't wanna know more
And you've been down this road before
So leave it alone
Just leave it alone
No this ain't nothing new
The only thing you've got is you
So leave it alone
Just leave it alone
