tom:

E

As I was sitting in the sidewalk **C B**

Something special came around **A**

E A soft perfume, the smoothness of a breeze **B**

Well how could I resist that joyful and guilty sound?

Gbm Dbm Hey, ya, where're you going to?

Gbm Dbm Hey, ya, I think I know you

(**C D**)

E C Tell me I am not too late

A I'm right on my way

G A I'm still holding your call

E C Maybe I'm crossing the line now

A But I feel just fine

G A I'll kiss you at dawn

E C I feel this more than yesterday (oh, oh, oh)

B A Well yesterday I was blind

E C Well it takes much more than yesterday's rain

B More than I'd ever dreamed of, honey

A It's burnin' my mind

Acordes

E C So tell me, baby, where's your flaming soul gone to

B It's a dangerous game we're playing baby

Gbm Dbm I'm gonna say baby but it won't take no words
