Intro: **Am G F Ab7**

(**Am G F Ab7** )  
I remember when I was young  
Feeling sick on Sunday morning  
I don't wanna do it anymore

(**Am G F Ab7** )  
Standing in a line with a dirty mind  
Clean it up on Sunday morning  
I don't wanna do it anymore

(**Am Gadd9**)  
One day a week we turn the cheek  
One day a week we turn the cheek

(**Em F C**)  
Oh, how we'd kneel down  
Oh, we were so quiet  
Never any light there

**BM**  
I don't care, it's not

**G**  
right there

Get up early, do your hair  
Sunday best on Sunday morning  
I don't wanna see it anymore

Tea and toast in the social hall  
We had it all on Sunday morning

I don't wanna see it anymore

(**Am Gadd9**)  
We come in fear , to worship here  
We come in fear , to worship here

(**Em F C**)  
Oh, how we'd kneel down  
Oh, we were so quiet  
Never any light there

**BM**  
I don't care, it's not
