

# The Bouncing Souls - True Believers

tom:

C

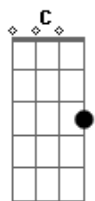

I've met some people along the way  
Some of them split some of them stay  
Some of them walk some walk on by  
I've got a few friends I'll love till I die  
From all of these people I try to learn  
Some of them shine some of them burn  
Some of them rise some of them fall  
For good or bad I've known them all

F C G G x2

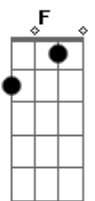

We live our life in our own way  
Never really listened to what they say  
The kind of faith that doesn't fade away  
We are the true believers

F C G  
Ahhh we are the true believers

Well you can fight or you can run  
Hide under a rock till the war is won  
Play it safe and don't make a sound  
But not us we won't back down  
True believers all the way  
You and I

We live our life in our own way  
Never really listened to what they say  
The kind of faith that doesn't fade away  
We are the true believers
