

# The Boxer Rebellion - Flowers In The Water

tom:  
Intro: C Dm  
C  
Every year you live it  
No second thought is given  
That this'll be the day that you die someday  
But it won't be now  
'Cause you're still too young  
And everyone will tell you  
Can't give into the worry  
Wrap up in the love that you have  
'Cause it may not last  
Like you remember
