

The Brilliance - Gravity Of Love

Tom: A

Lift my eyes up to the hills
 This my morning song
 Where my strength comes from
 I lift my eyes up to the hills
 This my evening song
 Where my help comes from

 This is the gravity of love
 Just as the moon follows the sun
 You're all around me
 You're holding everything

 This is the hope of every land
 Just as the universe expands
 You're love is reaching
 You're holding everything

 (A E Gbm D)

 We lift our eyes up to the hills
 When will our help come
 Lord we cry how long

 We lift our eyes up to the hills
 Even as we run

Hope is chasing us

This is the gravity of love
 Just as the moon follows the sun
 You're all around me
 You're holding everything

 This is the hope of every land
 Just as the universe expands
 You're love is reaching
 You're holding everything

 I see infinite stars
 One for every human heart
 And with all of these suns
 I know I am not alone

 This is the gravity of love
 Just as the moon follows the sun
 You're all around me
 You're holding everything

 This is the hope of every land
 Just as the universe expands
 You're love is reaching
 You're holding everything
