

The Calling - Adrienne

Tom: G

Eb (intro 2x) Em7 D Bm7 C

I've been thinking about you, my love
 And all the crazy things that you put me through
 Now I'm coming around, Throwing it back to you
 Were you thinking of me when you kissed him
 Could you taste me when you licked his skin
 All the while I showered you with trust and promises
 What I'm needing now is some sweet revenge
 To get back all that I lost then
 I gave you all I had to give, but I could never reach you
 Adrienne, I thought I knew you
 Once again, you used me, used me
 Adrienne, I should have left you
 Long before you used me, Used me up
 Spent my money, drove my car
 I treated you like a shining star
 But in my sky all burnt out you are

Afinação: Eb Ab Db Gb Bb

And I'll have the last laugh,
 when I see you walking with some other guy
 'Cause I know you're gone end up all alone
 So take these words, some good advice
 All you've done gonna come back twice
 You never cared how much it hurt, I really need to tell you
 (Em7 D Bm7 Cadd9)
 Adrienne, I thought I knew you
 Once again, you used me, used me
 Adrienne, I should have left you
 Long before you used me, Used me up
