The Calling - Chasing The Sun

```
Tom: Eb
                                                                             Eb
Intro: Eb Eb Eb Eb Eb Eb Ab Ab7 Ab Ab7
                                                               She's like a sweet summer
                                                                              Ab
Fh
                                                               A sweet summer day
The sky is her blue eyes
                                                                      Eb
                                                               And I can't let her
Begin to open
                                                                                   Ab
                                                               I Can't let her go to waste
            Ab
The storm is upon me
                                                                                         Cm Ab Bb Ab Eb
                                                               She's like a sweet summer day
                   Fh
But I'm chasing the sun
                                                               Fb
                                                               Now there's no turning back
And she's got me down on my knees
Trying to crawl
                                                               I'm lost somewhere deep inside of you
                   Ab
                                                                                Ab
Through all of the winter
                                                               The clouds have been lifted
Through all of the fall...
                                                               And you're breaking through...
             Fb
                                                                            Eb
She's like a sweet summer
                                                               She's like a sweet summer
              Ab
                                                                             Ab
A sweet summer day
                                                               A sweet summer day
      Eb
                                                                      Eb
And I can't let her
                                                               No I can't let her
                   Ab
                                                                                           Ab
I Can't let her go to waste
                                                               I just can't let her go to waste
                                                                                   Eb
                          Eb
She's like a sweet summer day
                                                               Oh, no, she's like a sweet summer
                                                                         Ab
                                                               A sweet summer day
Fb
I wanna breathe in her air
                                                                       Fb
                                                               I can't let her
I wanna crash through the waves
                                                                                      Ab
      Ab
                                                               I can't let her go to waste
Into her fields where
                                                                                        Fb
                                                               She's like a sweet summer day.
