(**Ab Fm Db Eb**)
Once upon a time
Somewhere far away from here
I was drowning in a deep sleep
Got no ground beneath my feet
And there's so many faces
I'm New York and I'm Japan
There's so many things that I want to know
But I'll never understand?

CHORUS:
Now I'm dreaming in red
Just drifting away

I'm dreaming in red
Come and take me away

parte no
faz outra
I just got to get it right
Before I make it wrong
Cause I'm breaking out and rising up
While the world is falling down?

CHORUS

Ab Fm Db Eb
I see the sun behind the night, sky

Ab Fm Db Eb
One last moment before I say goodbye?

(**Ab Fm Db Eb**)
Once upon a time
Somewhere far away from here?.
