 So lately, been wondering
              F
 Who will be there to take my place
 When I'm gone, you'll need love m7 F G
 To light the shadows on your face

 If a great wave shall fall

And fall upon us all
          G
 Then between the sand and stone
          F7M
Could you make it on your own
                                                              (refrão)

 If I could, then I would

 I'll go wherever you will go

 Way up high, or down low

 I'll go wherever you will go
And maybe, I'll find out Am7 F G
A way to make it back someday
    G
 To watch you, to guide you
 Through the darkest of your days

 If a great wave shall fall
       G
And fall upon us all
                          Am7
 Then I hope there's someone out there
