

The Cardigans - And Then You Kissed Me

Tom: G

Em D G
Man, I've had a few
C G Am
But they wouldn't quite blow me like you
Em D G
You gave me your name and signed

C G Am
With a halo around my eye

Em D G
And it hit me like never before
C G Am
That love is a powerful force
Em D G
Yes, it struck me that love is a sport
C G Am
So I pushed you a little bit more

Em D G
Love, you're news to me
C G Am
You're a little bit more than I thought you'd be
Em D G
A mole in my well-fed lawn
C G Am
You're a nightmare beating the dawn

Em D G
Oh, it hit me like never before
C G Am
That love is a powerful force
Em D G
Yes, it struck me that love is sport
C G Am
So I pushed you a little bit more

D C Am
Blue, blue, black and blue
D C Am
Red blood sticks like glue
D C Am
True love is cruel love
D C Am
Red blood's a power-fuel
D C Am
Sweet love, tasty blood

D C D
My heart overflows

Em D G
Oh you hit me!
C G Am

Yeah, you hit me really hard
Em D G
Man, you hit me!
C G Am
Yeah you hit me right in the heart

Em D G
Lord, I've had my deal
C G Am
But I never quite knew how it feels
Em D G
When love makes you wake up sore
C G Am
With fists that are ready for more

Em D G
And it hit me that love is a game
C G Am
Like in war no one can be blamed
Em D G
Yes, it struck me that love is a sport
C G Am
So I pushed you a little bit more

D C Am
Oh, blue, blue, black and blue
D C Am
Red blood sticks like glue
D C Am
True love is cruel love
D C Am
Red blood's a power fuel
D C Am
Sweet love tasted blood
D C D
My heart overflows

Em D G
Man, you hit me!
C G Am
Yeah you hit me really hard
Em D G
Baby, you hit me!
C G Am
Yeah you punched me right in the heart
Em D G
And then you kissed me...
C G Am
And then you hit me...

Em D G C G Am
Oh, you haunt me with your violent heartbeat at night
Em D G C G Am
Oh, you strike me with your silence baby, tonight
Em D G C G Am
Why you haunt me with your violence baby, come hit me!
Em D G C G Am
You hold me with your violent heartbeat
