I can't care 'bout anything but you

Lately I have desperately wondered  
Spent my nights awake and I wonder  
What I could have done in another way  
To make you stay

Reason will not teach a solution  
I will end up lost in confusion  
I don't care if you really care  
As long as you don't go

So I cry I pray and I beg  
Love me love me say that you love me  
Fool me fool me go on and fool me  
Love me love me pretend that you love me  
Lead me lead me just say that you need me

So I cry and I beg for you to  
Love me love me say that you love me  
Lead me lead me say that you need me  
I can't care 'bout anything but you
