How could I be

Oh, so naive?

Right from the start

This will never work

Don't you feel the same?

Dm

I feel it too

But what can I do?

I'm just the stranger they say is the man for you

Dm

Maybe with time

Something will change

Am C

Making the best of this might be the only way

Bb F

Can we make this work?

Am

Even trying feels insane

Bb F

Maybe when it hurts

Am

We'll be worth the pain

There are too many questions, too little time

Dm F C Bb

Too much to ask for the rest of my life

Bb

It's a mountain too high to climb

Dm F C Bb

Too many voices filling me with doubt

Dm

Can you hear them now?

It's hard to have faith

It's hard to believe

Our future hold more than what we can see

What we don't understand

It could be a part of God's plan

Can we make this work?

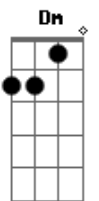

Bb F Am Dm

Can we make this work?
