

The Cat Empire - Steal The Light

Tom: **Bb**

Gm
Sing now muse,

I won't be scared,

She's wearing flowers,

Bb
Not snakes up in her hair tonight,

Gm
And love we've been around before,

We washed up on the old shore,

Bb
But it's new tonight,

Gm
"It's only light" she said,

Bb
But we are liars to be free,

Cm Dm Eb
Ooooooooooahooooooooo

Gm
We'll Steal the light to see

Gm
The hour falls,

We fall to dance,

The sirens and the marching band say,

Bb
"It's nothing but chance tonight",

Gm
The billion ones and many few,

And everyone I never knew,

Bb
They're here tonight,

Gm
"It's only light" we said,

Bb
But we are liars to be free

Cm Dm Eb
Ooooooooooahooooooooo

Bb
We'll steal the light to see

Trumpet Part: (**Bb Gm**)

Bb
What if I'm lonely?

Gm
What if the skies should fall and disappear?

Bb
For one night only,

Gm
Open your eyes and run into the clear,

Cm
So if I may,

Dm Eb
What if I say?

Bb
'It's good to have you here'

Gm
She said, 'If you lead I'm come along'

Bb
And if you need, I'll sing your song tonight,

Gm
And all that glows, and all that shines,

And all we leave behind,

Bb
Will keep them warm tonight,

Bb
'It's only light' I said,

But we are liars to be free,

Cm Dm Eb
Ooooooooooahooooooooo

Bb
We'll steal the light to see

Bb
What if I'm lonely?

Gm
What if the skies should fall and disappear?

Bb
For one night only,

Gm
Open your eyes and run into the clear,

Bb
I love you only,

Until the skies fall down and disappear,

Cm
So if I may,

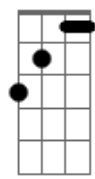

Dm Eb
What if I say?

Bb
'It's good to have you here'

Gm
Oooohooooooooowahooooooooowahooooooooowahohoho x5
