

The Chainsmokers - Paris

```
We'll get away with everything
Intro: G Bm A Gbm
                                                                    Gbm
                                                              Let's show them we are better
[Verse 1]
                                                              [Post-Chorus]
We were staying in Paris
                                                                     G
                                                              Let's show them we are
To get away from your parents
                                                              Let's show them we are
And I thought "Wow, if I could take this in a shot right now
                                                              Let's show them we are, let's show them we are
I don't think that we could work this out"
                                                                    Gbm
                                                              Let's show them we are better
[Pre-Chorus 1]
                                                                           G
                                                              We were staying in Paris
Out on the terrace
                                                                     Gbm
                                                              Let's show them we are better
                     Bm
I don't know if it's fair but I thought "How could I let you
                                                                    G
                                                              Let's show them we are
fall by yourself
While I'm wasted for someone else"
                                                              Let's show them we are
[Chorus]
                                                              Let's show them we are, let's show them we are
                  Bm
                                                                     Gbm
If we go down then we go down together
                                                              Let's show them we are better
       Α
                                                                G Bm
They'll say you could do anything
                                                              If we go down then we go down together
       Gbm
They'll say that I was clever
                                                              They'll say you could do anything
                  Bm
                                                                     Gbm
If we go down then we go down together
                                                              They'll say that I was clever
                                                                                Bm
                                                              If we go down then we go down together
We'll get away with everything
      Gbm
Let's show them we are better
                                                              We'll get away with everything
   Bm
                                                                    Gbm
 Let's show them we are better
                                                              Let's show them we are better
        Gbm
Let's show them we are better
                                                              [Bridge]
                                                              We were staying in Paris
[Verse 2]
                                                                                Α
We were staying in Paris
                                                              We were staying in Paris
To get away from your parents
                                                              We were staying in Paris
And you're so proud standing there with the flower and the
                                                              We were staying in Paris
cigarette
                                                                     Gbm
                                                              Let's show them we are better
Posting pictures of yourself on the internet
                                                                                G Bm A
                                                              We were staying in Paris
[Pre-Chorus 2]
                                                              [Outro]
Out on the terrace
                                                                     Gbm
                                                              Let's show them we are better
I don't live in the area of this small town
                                                                    Gbm
                                                              Let's show them we are better
On our own couldn't pass for the thrill of it
                                                              If we go down
Getting drunk on the bus we were living in
                                                                     Bm
                                                              Let's show them we are better
[Chorus]
                                                                 Α
                  Bm
                                                              If we go down
If we go down then we go down together
                                                                    Gbm
                                                              Let's show them we are better
       Α
They'll say you could do anything
       Gbm
                                                              If we go down
They'll say that I was clever
                                                                     Bm
                                                              Let's show them we are better
               Bm
If we go down then we go down together
                                                                     Gbm
                                                              Let's show them we are better
