

# The Chainsmokers - Paris

Tom: D

Intro: G Bm A Gbm

[Verso 1]

We were staying in Paris  
To get away from your parents  
And I thought "Wow, if I could take this in a shot right now  
I don't think that we could work this out"

[Pre-refrão 1]

Out on the terrace  
I don't know if it's fair but I thought "How could I let you  
fall by yourself  
While I'm wasted for someone else"

[refrão]

If we go down then we go down together  
They'll say you could do anything  
They'll say that I was clever  
If we go down then we go down together  
We'll get away with everything  
Let's show them we are better  
Let's show them we are better  
Let's show them we are better

[Verso 2]

We were staying in Paris  
To get away from your parents  
And you're so proud standing there with the flower and the  
cigarette  
Posting pictures of yourself on the internet

[Pre-refrão 2]

Out on the terrace  
I don't live in the area of this small town  
On our own couldn't pass for the thrill of it  
Getting drunk on the bus we were living in

[refrão]

If we go down then we go down together  
They'll say you could do anything  
They'll say that I was clever  
If we go down then we go down together

We'll get away with everything

Let's show them we are better

[Pós-refrão]

Let's show them we are  
Let's show them we are  
Let's show them we are, let's show them we are  
Let's show them we are better  
We were staying in Paris  
Let's show them we are better  
Let's show them we are  
Let's show them we are  
Let's show them we are, let's show them we are  
Let's show them we are better  
If we go down then we go down together  
They'll say you could do anything  
They'll say that I was clever  
If we go down then we go down together  
We'll get away with everything  
Let's show them we are better

[ponte]

We were staying in Paris  
We were staying in Paris  
We were staying in Paris  
We were staying in Paris  
Let's show them we are better  
We were staying in Paris

[Outro]

Let's show them we are better  
Let's show them we are better  
If we go down  
Let's show them we are better  
If we go down  
Let's show them we are better  
If we go down  
Let's show them we are better  
Let's show them we are better
