

The Chainsmokers - See the Way (feat. Sabrina Claudio)

tom:

Intro: Bm G D (G#)

[Primeira Parte]

I go from Okay
I'm okay to I'm not okay
In. 2

I go from cool in
My new place to packin'
My suitcase like you
I said it over and over
That I wouldn't do this
Go find someone new and
Just fuck my way through this
But no way or no way
I'm okay when thinkin'
'Bout you

[Pré-Refrão]

You were right
When you said it
Keep my cards to my chest
And I never let no one
Know me
I push you out
Now I get that
You needed
Just a little
More love
And to just see me
Wide open and
Breaking down

[Refrão]
When no one's there

To listen
I will hear your
Pain
I know that I was
Less than
But you know people
Change
So tell me
What's the difference

If we still feel
Same?

It takes a little
Distance to make you
See the way

[Ponte]

I go from Okay
I'm okay to
I'm not okay
From Okay
I'm okay to
I'm not okay

I go from Okay
I'm okay to
I'm not okay
From Okay
I'm okay to
I'm not okay

I go from Okay
I'm okay to
I'm not okay
From Okay
I'm okay to
I'm not okay

[Segunda Parte]

Deleted your photos
Don't know what
I thought it
Would do
And I know what
You're thinkin'
That's not something
I would do

I wish I could lie,
But I'm so not a liar
Been trying
I try to pretend that
I'm fine
But I just end up
Lying here
Feeling more

Than I want to

[Pré-Refrão]

You were right
When you said it
Keep my cross to my chest

And I never let no one

Know me
I push you out

Now I get that

You needed
Just a little
More love

And to just see me

Wide open and
Breaking down

[Refrão]
When no one's there

To listen
I will hear your

Pain
I know that I was

Less than

But you know people

Change
So tell me

What's the difference

If we still feel

Same?

It takes a little
Distance to make you

See the way

[Ponte]

I go from Okay
I'm okay to

I'm not okay

From Okay
I'm okay to

I'm not okay

I go from Okay
I'm okay to

I'm not okay

From Okay
I'm okay to

I'm not okay

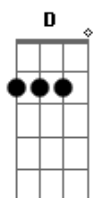

I go from Okay
I'm okay to

I'm not okay

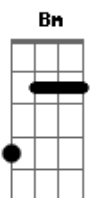

From Okay
I'm okay to

I'm not okay
