Intro: Am F C Em G

Your heart for takeaway, yeah, yeah

Your heart for takeaway, yeah, yeah

Your heart for takeaway, yeah, yeah

Your heart for takeaway, yeah, yeah

Hey, hey, hey, where do you think you're going?

It's so late, late, late, what's wrong?

I said I can't stay, do I have to give a reason?

It's just me, me, me, it's what I want

So how did we get here?

Three weeks now, we've been so caught up

Better if we do this on our own

Before I love you (nah, nah, nah)

I'm gonna leave you (nah, nah, nah)

Before I'm someone you leave behind

I'll break your heart so you don't break mine

Before I love you (nah, nah, nah)

I'm gonna leave you (nah, nah, nah)

Even if I'm not here to stay

I still want your heart

Your heart for takeaway, yeah, yeah

Your heart for takeaway, yeah, yeah

Your heart for takeaway, yeah, yeah

Your heart for takeaway, yeah, yeah

Your heart for takeaway, yeah, yeah

Your heart for takeaway, yeah, yeah

(Your heart for takeaway, yeah, yeah)

Your heart for takeaway, yeah, yeah

Fate, fate, fate

Is that what came between us?

Or did we do this on our own?

So how did we get here?

I messed myself up, I'm so caught up

Better if we do this on our own

Before I love you (nah, nah, nah)

I'm gonna leave you (nah, nah, nah)

Before I'm someone you leave behind

I'll break your heart so you don't break mine

Before I love you (nah, nah, nah)

I'm gonna leave you (nah, nah, nah)

Even if I'm not here to stay

I still want your heart

Your heart for takeaway, yeah, yeah

Your heart for takeaway, yeah, yeah

Your heart for takeaway, yeah, yeah

Your heart for takeaway, yeah, yeah

Your heart for takeaway, yeah, yeah

Your heart for takeaway, yeah, yeah

(Your heart for takeaway, yeah, yeah)

Your heart for takeaway, yeah, yeah

(Am F Em G)

Before I love you (nah, nah, nah)

I'm gonna leave you (nah, nah, nah)

Before I'm someone you leave behind

I'll break your heart so you don't break mine

Before I love you (nah, nah, nah)

I'm gonna leave you (nah, nah, nah)

Even if I'm not here to stay

I still want your heart
