The Chainsmokers - Who do You Love (feat. 5 Seconds Of Summer)

```
Tom: Ab
                                                                           D
                                                              Who do you love, do you love now?
(forma dos acordes no tom de G)
                                                                                 Bm
                                                               I know it's someone new
Capostraste na 1ª casa
                                                                                     G
                                                               You ain't gotta make it easy, where you been sleepin'?
           G
                                                                                              Bm
                                                               This shit is keepin' me up at night, just admit it
Yeah
                                                                       D
 D
Found cigarettes in your Fendi coat
                                                               Who do you love, do you love now?
 Bm
                                                                                   Bm
Even though you don't even smoke
                                                               I wanna know, I wanna know who
                     Α
Always changin' your access codes
                                                                                    D
                                                               Now, now, who do you, who do you love, love (Yeah)
Yeah, I can tell you no one knew
                                                                                    Bm
                                                               Now, now, who do you, who do you love now? (Oh)
                                                                                    D
Yeah, you've been actin' so conspicuous
                                                               Now, now, who do you, who do you, you (Yeah)
                                                                              Bm
You flip it on me, say I think too much
                                                               I wanna know, I wanna know who
You're movin' different when we makin' love
                                                                           D
    Bm
                                                               (Who) You been actin' so conspicuous
Baby, tell me, tell me
                                                               (Who) You flip it on me, say I think too much
                                                                       D
            D
Who do you love, do you love now?
                                                               (Who) Movin' different when we makin' love
                                                                      Bm
I wanna know the truth (Whoa)
                                                               (Who) Baby, tell me, tell me
           D
Who do you love, do you love now?
                                                                           D
                                                               Who do you love, do you love now?
                   Bm
I know it's someone new
                                                               I wanna know the truth (Whoa)
                     G
                                                                          D
You ain't gotta make it easy, where you been sleepin'?
                                                               Who do you love, do you love now?
                               Bm
                 Α
This shit is keepin' me up at night, just admit it
                                                                                Rm
        D
                                                               I know it's someone new
Who do you love, do you love now?
                                                                                     G
                                                               You ain't gotta make it easy, where you been sleepin'?
                  Bm
I wanna know, I wanna know who
                                                                                              Bm
                                                               This shit is keepin' me up at night, just admit it
                                                                       D
Now, now, who do you, who do you love, love (Yeah)
                                                               Who do you love, do you love now?
                     Bm
                                                                                   Bm
Now, now, who do you, who do you love now? (Oh)
                                                               I wanna know, I wanna know who
                     D
Now, now, who do you, who do you, you (Yeah)
                                                               Now, now, who do you, who do you love, love
               Bm
I wanna know, I wanna know who
                                                                                    Bm
                                                               Now, now, who do you, who do you love now?
Well, keep switchin' your alibi
                                                               Now, now, who do you, who do you, you
     Bm
                                                                                    Bm
Or stutterin' when you reply
                                                               Now, now, who do you, who do you love now?
   D
You can't even look me in the eye
                                                                                     G
                                                               You ain't gotta make it easy, where you been sleepin'?
Oh, I can tell, I know you're lyin'
                                                                                              Bm
                                                               This shit is keepin' me up at night, just admit it
                                                                       D
'Cause you've been actin' so conspicuous
                                                               Who do you love, do you love now?
                                                                               Bm
                                                               I wanna know, I wanna know who
You flip it on me, say I think too much
We're movin' different while we're makin' love
                                                               Who do you, who do you love, love
So, baby, tell me, tell me
                                                                                   Bm
                                                               Now, now, who do you, who do you love now?
            D
Who do you love, do you love now?
                                                               Now, now, who do you, who do you, you
                                                                                  Bm
I wanna know the truth (Whoa)
                                                               Now, now, who do you, who do you love now?
