Outro:

Yes, it's time for the Dr. Gobbles Show!

There's a tower in the heart of London
With a radio station right at the top
They don't make the city beat
They're making the action stop
A long time ago there were pirates
Beaming in waves from the sea
But now all the stations are silent

'Cos they ain't got a government licence

Wanna tell your problems
Phone in from your bedsit room
Having trouble with your partner
Let us all in the good news

If you wanna hear a record
Get the word from **A** to Z
He picks all the hits to play
To keep you in your place all day

In tune with nothing
In tune with nothing
- Funny noise from Strummer, not actual word -
In your place all day
Just a-lazing around all day

Backstreet a-hear us out
Grab attention go and go against the town
It's such a crime
Is it a game
We ain't got no rights
Slippin' off, slipping off
Slippin' off, slipping off
Slippin' off, slipping off
Don't touch that dial!
Don't touch that dial!
Don't touch that dial!
Don't touch that dial!
