

# The Clash - London Calling

Tom: **G**

I play this one differently from the posting at the archive. Corrections welcome. Turn the treble way up for best Mick Jones (or maybe Mr. Strummer) sound. No solo except for heavy feedback on a high **B** note (listen to the record).

Chords:

Intro: **Em Am G Am**

**Em** **Am**  
London calling to the faraway towns  
**Em** **G**  
Now that war is declared and battle come down  
**Em** **Am**  
London calling to the underworld  
**Em** **G**  
Come out of the cupboard, all you boys and girls  
**Em** **Am**  
London calling, now don't look to us  
**Em** **G**  
Phony Beatlemania has bitten the dust  
**Em** **Am**  
London calling, see we ain't got no swing  
**Em** **G**  
Except for the ring of that truncheon thing  
**Em** **G**  
The ice age is coming, the sun's zooming in  
**Em** **G**

Meltdown expected the wheat is growing thin  
**Em** **G**  
Engines stop running but I have no fear  
**Em** **Em** **D**  
Cuz London is drowning and I live by the river  
**Em** **Am**

London calling to the imitation zone  
Forget it brother, you can got it alone  
London calling to the zombies of death  
Quit holding out and draw another breath  
London calling and I don't wanna shout  
But while we were talking I saw you noddin' out  
London calling, see we ain't got no highs  
Except for that one with the yellowy eyes

The ice age is coming, the sun's zooming in  
Engines stop running the wheat is growing thin  
A nuclear error but I have no fear  
Cuz London is drowning and I live by the river

Now get this

London calling, yes I was there too  
An' you know what they said - well some of it was true!  
London calling at the top of the dial  
An' after all this, won't you give me a smile?

**Em**  
I never felt so much a' like...
